# MENDEOR INSTITUTE

**AI Academy, which combines performance, leadership, and mental resilience**

The Mendeor Institute is developing a digital learning platform for the development of team leaders and managers. It combines expert knowledge from psychology, neuroscience, and coaching with microlearning and simulations of work situations that utilize artificial intelligence. This allows managers to safely practice skills such as conducting difficult conversations, providing feedback, or resolving conflicts.

**Unique Selling Points:**

- Evidence-based procedures proven effective in hundreds of companies.
- The Intersection of Business, Psychology, and Performance.
- Quality.
- AI role-play.

**Product**

An Educational E-Platform for Managers
