WERELDO.COM

We are a smart carrier specializing in pallet and parcel shipments.

Wereldo is an innovative smart carrier for pallet and parcel shipments. The founders used their experience in flight optimization and applied efficient planning to the logistics industry, focusing on the demanding first mile. Wereldo targets small and medium-sized businesses and focuses on optimising routes and reducing mileage, thereby increasing the capacity of each vehicle.

Unique selling points:

- Save up to 20% on logistics costs
- You can always see the price up front
- We transport packages and pallets with one car
- Live support chat
