FRESH LABS

Mypaperwork.ai | AI platform for easy obtaining work permits and visas.

Modern solutions for obtaining work permits and visas. The platform uses AI and knowledge graphs to organize data and navigate through large amounts of information, greatly simplifying the entire process. Users appreciate the speed, accuracy and ease of use of the system. An important component is the support for multiple languages and integration with services such as notarization and translation to ensure the smooth flow of administrative tasks.

Unique selling points:

- Automate and personalize applications with AI.
- A simple and transparent step-by-step process.
- Lower costs compared to traditional relocation services.
- Partners can offer their services directly on our platform.
- Multi-language support and localized solutions.
