DEFENCE HUB | CZECHINVEST

PART OF THE DIANA NETWORK

NATIONAL PLATFORM FOR DEFENCE & DUAL-USE INNOVATION

Your gateway to defence and dual-use innovation

Defence Hub CzechInvest is the national contact point connecting startups, research, industry, investors and the Armed Forces. We help companies navigate the defence ecosystem, secure funding, test technologies and grow internationally — **practically and free of charge.**

CONNECT | ACCELERATE | DEPLOY

WHAT WE DO FOR YOU

Funding
We find the right programme — NATO DIANA, EUDIS, EDF, EIC — and help with the application.

Ecosystem building
We connect startups, industry, the military, universities and investors across CZ and the EU.

Testing & validation
We move technologies from PowerPoint to reality — Brave1, Test in Ukraine, test centres.

Internationalisation
We open doors to NATO, the European Commission, DIANA and foreign accelerators and investors.

PROGRAMMES WE GUIDE YOU THROUGH

Navigation free · independent

NATO DIANA
ACCELERATION · NATO

€100k grant, 200+ test centres, mentoring and access to the NATO network. We host NATO DIANA Accelerator Czechia.

EUDIS
EU · STARTUPS

Accelerator, matchmaking, coaching and Test in Ukraine for startups entering defence.

EDF
EU · CONSORTIA

The largest European fund for defence research and development in consortia across the EU.

EIC
DEEP-TECH

Grant and equity for deep-tech companies with global growth and scale-up potential.

WHO WE ARE HERE FOR

Startups & SMEs
Dual-use use-case, funding, testing, matchmaking.

Universities
R&D, spin-offs, technology transfer into practice.

Industry
Innovative technologies and new partnerships in the supply chain.

Investors
Access to promising defence & dual-use startups.

FREE, NO-OBLIGATION CONSULTATION

Does your technology have defence potential?

Scan the code and get in touch. We'll show you which opportunities are relevant for you and how to reach them.
